*Engelska uppgift... Love theme*

**Prove me wrong!**

The heart is just a muscle

One purpose; to keep us alive

Love is just a word

That some Frenchman came up with

Feelings for each other

Is shallow, meaningless and overrated

Trust is just another word to say

I will leave you one day

Even though I know all that

I can't help but falling in love

It's like a song or stupid movie

One day, BOOM and you're lost again

And to be honest

I wouldn't want to have it

Any other way
