*When ALL Inspiration has vanished ....*

**"Lack of Inspiration !"**

Lack of Inspiration

Wet of Transpiration

NO "Pain of Salvation"

Not even Pervertation

Lack of Inspiration

can destroy a Nation

The "Destiny Station"

Leads to full Frustration

Lack of Inspiration

allows a violent Invasion

includes a Capitulation

hurts all Navigation

Lack of Inspiration

is bad for your Health

like hippocratic Flirtation

can disturb "The Commonwealth"

Lack of Inspiration

is a Mortal Conviction

try solve it "in Commission"

a hopeless "Competition"

Lack of Inspiration

for Your Mind, a "Deadly Weapon" .....
