

AN ANGEL'S APPRENTICE

Angels are born to teach you
how to love with pure emotion,
how to live this life
in true devotion.

They teach you how
to play without fears,
without frustration,
without tears.

They teach you how
to walk your own way,
how to really hear what
your heart and body say.
They teach you the meaning
of all this;
to be born and then die.
They teach you to never
ask the question why.

They tell you why
your heart is crying
inside your body where it's lying.
They tell you why it hurts so bad,
every time you're lonely,
every time you're sad.

They tell you the meaning
of all this;
to burn and to get burned.
They teach you patiently
what you haven't yet learned.

They comfort you
when you are falling,
and when tears are burning
it's their name you
should be calling.
Because they love you always,

until the very end of days.
