*Improviserad text om att vara törstig*

**Cheers!**

I want a beer

but I haven't got one here

I better go to the store

and buy me some more

But I'm short on money

not even enough to buy honey

So I will cast the thought away

and simply buy beer another day

But I'm really thirsty

I feel like I choke

So let me go to the fridge

and get me a Coke
