

She's the kind of woman

She's the kind
of woman who
carries her secret
with passion
hiding her preference
from the world in the
name of compassion
while living her desire
protecting her youngest
from her inner fire
and she does it with
such loveable care
that there can never
be any doubt inside
this enchanted lair

She's the kind
of woman who
leads me straight
into the darkness
on the wings of
candle lit nights
while exposing my
vulnerability and trust
lifting my spirit to
different heights while
breathing beautiful words
kissed by sensuality and lust
