

Publicerad 2010-04-24 13:15 av Nightngale

to Emmylou Harris

“Where will I be”

I lost my soul

I put it on the stake

take notes and bets

claim me as your own

I lost my body

I walked the streets

with guilt and punishment

claim me as your own

I lost my love

trust claimed its due

if you still feel pain

let me give myself to you
