it was all just a fucking game

I can\'t believe
you\'re gone
you had my life
in your hands,
and now you\'re gone
I could see right
in the future,
you and me
Husband and wife,
having a good life

I don\'t believe in God
But still,
I pray for you to
come back to me
Why can\'t you just see?
I think about you
all the time,
nothing\'s the same
It was love for me,
but for you, it was
all just a fucking game

It\'s like you own me,
all I think about
is you
Six months, and you\'re
still in my head
You\'re taking over me,
I can\'t breathe

Why did you leave?
I just can\'t believe
that you\'re gone
I know that it\'s over,
but still, the hope is here
All I want is to have
you near
