Turned Around

I went to town this morning
There was a man, yelling and screaming
He yelled that life was unfair

Everyone looked at him in a weird way
Like he was a crazy man
And maybe he was

I went to him and told him that it will be alright
That God loves him and that the Angels are watching over him

Now he looked at me and probably thought I was crazy
He told me that he didn't believe in those things

I said that you don't have to believe
He still loves you, and he will help you through life

Next Sunday, the very same man
Sat in the church beside me
And prayed
