### **Break away for a moment**

I'm a madman in love  
I stuck on a chains, living between lies  
I'm trying to break these chains that I hold  
My body's growing cold  
There's nothing left of this heart, mind or soul.  
If I could break away for a moment, just a moment

Seems like every time that I catch up  
I only fall behind  
can't expect a bit of hope  
so while I'm inside looking out  
Try to forget you, but without you I feel nothing.

I'm a madman in love  
What I've felt, what I've known and what I've done  
so sick and tired, I stand all alone  
All these thoughts keep repeating, like a wheel that keeps on turning  
How I feel  
If I could break away for a moment, just a moment

I took your love for granted  
and all the things you said to me  
I need your arms to welcome me  
but there is only these cold chains holding me  
If I could break away for a moment, just a moment

I'm only a man without name or history  
trapped inside this world I made myself  
But that's not the world you live in  
This is not the life for me  
Cause this world is bigger than my problems  
And it's bigger than me

If you ever had to walk a mile in my shoes.  
Cause then you really might know what it's like to have to choose, to have to loose.  
If I could break away for a moment, for just a moment then I could show you that I'm not a madman,  
I'm only a man with a broken heart
