**Doesn't it hurts too much?**

Vers1: Hey baby

Darling

You have to stop this

Before it's gonna hurts you too much

I'm not so sure about this

Refr: Oh...

Doesn't it hurts too much

Or else

I think

I'm gonna be afraid

Oh...

Doesn't it hurts too much

Or else

I'm thinking that you

Have already had

Enough now

Girl sings: Yeah, this is my paradise

The castle I'm living in

On the highest hill

That you could never reach

Vers2: I'm standing here

And paint my picture

And I think that everything is okey

But so wrong I had

There's something strange

With this

Refr:2x

Vers3: I'm going to the work

Without a doubt

But I have my suspicions

There's something not quite right

I don't know

What it is

But I don't trust you

No more...

Refr:3x
