

### **Stubborn Child**

I need to believe in me  
Of the one I become to be  
Even if they died  
Ofcourse they all cried  
You know that they all love you  
You know that its true  
To save someones life  
From a baby to a husband and wife  
Its harder than you thought  
So lets take a look of what you bought  
The devils lies and pain  
The gods cries like rain  
Open your heart to those eyes  
Ignore your loved ones goodbyes  
Its all in your head my dear  
Your love, your hate, your fear  
If you think that you are done  
That you can just turn around and run  
But its not that easy my dear  
Just to take your glass and cheer  
You have to do more than that  
Or you will dissapear in the black hat  
They will cry for your sake  
This time it will not be fake  
Then when you look in the eyes of death  
You will cry before your last breath
