### **Virginia Warm**

There's a quiet fire  
about you that I admire  
and adore  
it brews like a storm  
it makes me feel safe and it  
makes me feel Virginia warm  
Virginia kind of sittin' pretty

He wandered off the reservation  
without hesitation  
embarks on the Reunion Tour  
and tries to score one for  
the home team though he is quite aways  
from the city

Supersized cups of English Breakfast Tea  
and milk sweetened with organic honey  
this afternoon it tastes better than all  
the oil that could be pumped into money

There's a quiet fire  
about you that I admire  
and adore  
it brews like a storm  
it makes me feel safe and  
it makes me feel Virginia warm  
Virginia kind of sittin' pretty

Pickin my self up by my boot straps once again  
Trying to stay away from Satan and stay away  
from sin  
keeping a tin of coins to prime my trip to  
Des Moines, Iowa to begin this lift off  
Suitcase in the cellar and a bouquet of red roses  
to be delivered to the door

There's a quiet fire  
about you that I admire  
and adore

it brews like a storm  
it makes me feel safe and  
it makes me feel Virginia warm

A storm that started in my teacup  
propels me to wash up on a  
distant shore  
far from Hollywood's boulevards  
and the Universal Studio tour

There are four seasons each with  
it's pleasures that's for sure  
but I'm looking for a fifth in which  
to set adrift and court the women  
of the core values that provide  
more life

There's a quiet fire  
about you that I admire  
and adore  
it brews like a storm  
it makes me feel safe  
and it makes me feel Virginia warm  
Virginia kind of sittin' pretty  
Our fates and sagas intertwined
