A "fast-pace" piece, wrote it in less then 2 min. That don't make it true!

Forever More

This is it

All is done

Forever more

The fight ends

It is time

For the finale

The last trumpet

The Heavenly Choir

Tears of friends

Cries of family

Everything, I forfeit

There is nothing

Can't do anymore

All is done

All is lost

Flee the day

Whatever lies ahead

My heart destroyed

My soul dead

My mind rotted

For this day

All will end

All shall see

All should know

That it ends here and now, too tired anyhow
