### **Power of the Keys (Bibbi)**

~\*~

Only the one who practice this

has the knowledge in full of it's meaning

People might say or insinuate

they forgive and are forgiving

but it only takes one

breath of air for the wrathful in mind

then sin is back again and

the burden is back in place

on the already heavy-laden

but this forgiveness

which is given to me through the power of the keys

it is an eternal release

and a liberation which

is not of this world

where people who are arbitrary

lift off, and the moment after,

puts back the blame

after their own moodswings

and their own well-being

for the moment...

"Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven.

For where two or three are gathered together in my name, there am I in the midst of them."

Matthew 18:19-20 (King James Version)

It is unfashionable today to speak of sin but

to me the confession has meant the

total freedom from the bearing of burdens...
