Rock my Soul!

I'm talking about my generation.

I can see clearly now the thrill is gone.

It's been a hard day's night of expectations.

I can see clearly now the thrill is gone.

I can't get no satisfaction, there's no passion.

I can see clearly now the thrill is gone.

I'm thinking of good vibrations.

I can see clearly now the thrill is gone.

Once upon a time you dressed in great fashion.

I can see clearly now the thrill is gone.

I'm losing my religion to sensations.

I can see clearly now the thrill is gone.
