Smoke and Mirrors

Smoke and mirrors
can you feel it
dancing deep inside
erasing fears
that seek to hide
catching a fallen star
inside I feel it glow
we start to glide
sweet and slow
every time I see you walkin' towards me
I'm on my knees
living in your smile
all through the summer breeze
waving my way
your lips set me on fire
and the star matches my sweet desire
Smoke and mirrors
can you feel it
dancing deep inside
erasing fears
that seek to hide
