## **Laurell**

So where are you going now

Laurell, youve cast a spell

Where you gonna run

Through a forrest of rain

Where you gonna walk

Through a desert in pain

Stay, stop and talk

The violin has spoken loud

Laurell youve cast a spell

There over you like the grandest cloud

Who made you hide

The ghosts dont have eys to see

Yet here you are to win again

Remain

Remain

The will we give to live

Until the sun arises again

Are you strong enough..two..to

give

give

You made her come..to a beat

Laurell youve cast a spell

Now who you gonna telll

Rise a flag for me

Come up from the ground

Ride for the troops to see

I dont need to ever forgive

You dont need to worry anymoore

Ill stand to the beat and be true

I love you

Laurell..oh..Laurell youve cast a spell

Anyone can tell.
