### **Does the world need another protest song**

Does the world need another  
protest song or are we  
just too right to be wrong  
just too weak to be strong  
why can't people just get along  
how many of these songs  
do we need sung  
before we go up  
another ladder rung  
when people start to believe  
that change is more than a word  
and that their lives really do matter  
yes, it's about folk being heard  
don't give a damn if you are  
a jock, a geek, or a nerd  
or a far out freak  
just let each other speak  
out loud -  
and maybe we could  
try and listen
