I HAVE ALWAYS THOUGHT

JAG SKREV DENNA LÅT FÖR 57 ÅR SEN NÄR JAG VAR 13 ÅR.

I HAVE ALWAYS THOUGHT

I always thought that you love me

But I know that I'm wrong

But what can I do

When I know I still love you

I always thought that you love me

But I know that I'm wrong

But what can I do

When I know I still love you

So please come back I be thinking even twice

I don't see your love in your eyes

I always thought that you love me

But I know that I'm wrong

But what can I do

When I know I still love you

So please come back I be thinking even twice

I don't see your love in your eyes

SOLO

I always thought that you love me

But I know that I'm wrong

But what can I do

When I know I still love you

So please come back I be thinking even twice

I don't see your love in your eyes
