Vintage: inspired by the Grateful Dead's song Bertha- My line 'I dressed myself in dreams' is a twist on their line 'Dressed myself in green' which is from their lyrics), and I fell in love with my image 'I dressed myself in dreams'

I dressed myself in dreams

I dressed myself in dreams
life isn't always as it seems
layed myself in the grass
watchin', watchin' to see what will pass
to see what will pass

the sun came down in rainbows, rainbows
the moon rose in the shadows
just like in a mystery,
just like in a mystery
just like a mystery

I looked round to see you
comin', comin'
through the trees
comin' straight to me

rose up and spoke your name
I knew I'd never be the same,
never be the same
I dressed myself in dreams
life isn't always as it seems
layed myself in the grass
watchin', watchin' to see what will pass
to see what will pass

the sun came down in rainbows, rainbows
the moon rose in the shadows
just like in a mystery,
just like in a mystery

rose up and spoke your name
I knew I'd never be the same,
knew I'd never be the same, never be the same

I dressed myself in dreams,

dressed myself in dreams
