Något som uppenbarligen betyder kärlek

With you by my side

With you by my side.

The truths will deliver itself.

If you are by my side?

Cause you in somehow.

Are a part of my whole world.

You will always be in some particular place.

In my heart.

I will not ever and never.

Hurt you.

Cause you know that i have my.

Codex of honors.

I do not touch women and children.

And I do not drive drunk.

The other ones I can kill.

Instantly with my from the world taken skills.

With my fast hands and mind.

But I will rather shoot my self.

If I am lost in the moment.

Cause I fucking love the ones that I love.

And I am trying to see the tomorrow.

Whitout you.

And that is a real ugly fight for me to take.

Cause I have one big problem with this.

And my problem is.

That I love you so bad.
