

## TRUST

A broken trust  
Is hard to handle  
If the band were to bind  
You will leave it behind  
A gift of grace  
An act from above  
To give the space  
To who I love  
To stay, not go, just be  
In your heart you know what to do  
You have to set them free  
You have to let them go
