Emotional Blackmail 3

Emotional blackmail

is set at number 3

wordcraft is on a 75% sale

resurrecting the dead

is what I need to get ahead

they say it's all a question

of making your own bed

maybe tomorrow's news

will be a headline of a tale

composed by messengers

who could be deceived by their own e-mails

what could be the secret so

I can take the lead instead of being led

or is it just a drama that's playing in my head

contentious characters act out

on a stage filled with satire

directed by what someone else said

gang leaders will want me to cave

eventually all information will be made available

astronauts and vegetetarians

are looking in the clouds for a life that's stable

poker hands will decorate the table

karma's a bitch
