### **Livia Baltic Princess**

Livia Baltic Princess of the truckstop road 66 Suomen Mecca

glides through the reception like Diana goddess of the hunt

her arrows striking, enchanting hearts

She sits behind the desk now like an Aphrodite

her blue eyes swimming pools that glitter, sparkle and beckon

upon those whom she bestows her favor

She tells you that you will be the recipient of a special surprise

if you are patient, just wait, just wait and you will be rewarded

outside black leather vested suitors who ride the roads like black knights of the biker kingdom stroll the asphalt seeking her audience and charm

Back inside libations are brought to us in welcome as we silently breathtakingly toast our arrival, her beauty and determination
