I love you so

As the first coffee you consume

I'd consume you

I'll lead you home

I hope I can make a home for you to stay

I hope I can be that home one day

As the first cigarette that makes you whole

I'll make you whole

At least that's what I believe

And they say believers are true to what they see

So, believe in me

Oh

Oh

Oh, oh

Oh

Oh

Oh, oh

Love that comes and goes

This one stays even after I cannot tell it no more

Love that's fickle

Not this kind, this is purity in happiness what I've found

Oh

Oh

Oh, oh

Oh

Oh

Oh, oh

Please dearest please

Please love please

This is my home

My home, my only home

Oh
Oh
Oh, oh

Oh
Oh
Oh, oh

Love that comes and goes
This one stays even after I cannot tell it no more

Love that's fickle
Not this kind, this is purity in happiness what I've found

Oh
Oh
Oh, oh

Oh
Oh
Oh, oh

Please dearest please
Please love please

This is my home
My home, my only home

As the first coffee you enjoy
I'll have you know joy
Let you fly
Let you soar
In the skies

As the first cigarette that gives hope
I'll have you know
Wherever you go
You have a hand in yours
And a heart that beats for you

I love you so

I love you so

I love you so

I love you so
