## **What Others do not see**

I see!

Unstoppable war  
Blood and more

I see!

Fire burning houses  
People killing other People

I see!

Close door!  
Woman crying behind the closing door

I see!

Dead!  
Pain!

I see!

Bloody rain  
Endless pain!

I see!

The shadow of darkness taking over all the world  
Knocking from one door to another

Demanding!

Join us or die!  
Be one of us or die!

I see!

God enjoying killing his own create in his namne  
Religion enjoying killing people

I see!

Evil coming with boat  
Killing with his sword

I see!

You die  
Your children cry

I see no place for all excerpt for EVILS Brothers
