*May you be inscribed in the Book of Life*

**The Book of Life**

May you be inscribed in  
the Book of Life

May you grow  
strong and sweet  
and take  
good Husbands  
and Wives

May your gardens grow  
green and bear you much  
fruit, yield  
oranges and apricots  
and vines of grapes with  
deep healthy roots

May your sons  
and daughters keep  
dear your traditions  
and stories and  
into the World  
secure and curious  
set afoot

May their paths  
intertwine through  
out their lives  
May they ride horses  
and swim in pure lakes  
walk by the sea and in  
the meadows gather flowers  
for fragrant teas

And may sweet music  
come to your ears

May you be there  
for each other to comfort  
the aches and the pains

and Yes may the New Year  
bring honey from fine  
combed hives  
and may you gather  
together to  
Celebrate Life
