

Publicerad 2019-12-22 20:54 av Rise Little One

...

in the middle of nowhere

our unknown destiny chasing us

deeper in your hazel eyes

I could feel the roots of your pain

in silence

when both darkness and light become transparent

through the windows of our soul

I asked the wind kissed your mind

touched slightly your hidden emotions

and whispered slowly to the universe

let me be with you

here and now and forever

---
