### **Gonna Live**

When all the castles turn to sand  
when there's no one left in command  
when drugs are no longer in demand  
and the captain's free to lend a hand  
the ivory will return to tusk  
and the lost children will be home by dusk  
the world will be a sweeter place  
and we won't be arguing about who owns  
the rights to outer space  
god will come home to rest  
she'll know that it's for the best  
sweet hearts in cinnamon city  
sweet hearts in phrase  
and treaties pretty  
sweet hearts in love and laughter  
gonna live in love here after  
gonna live in love  
gonna live
