

Publicerad 2020-07-23 19:04 av Hon kallar sig poet

On the wrong foot

Am I on the wrong foot with myself?
I think I need a huge hug from your lips

Can we just take a deep breath
and exhale our souls

Laugh til we cry
Cry til we laugh

Find the humor in our ways
on

stumble upon things that we don't really

understand

such as life

baby, you know what I mean
