I soar to the stratosphere

cartharsis of our life

but i wanna hold you

i wanna drown in our arms

I soar to the strathosphere

i wish you where here

A Rain golden coat

ill keep us afloat on the dryest road

In the desert i can can can se the thin line

A Rainshadow that gives you green

you are the most precious diamond

Ive ever seen

i soar the strathosphere

i wish you were here

were

here
