Summer feet

Burned love

summer heat and defeat

20:00 the boats put on salut

you shiver your love into the bone

you let her go life Came to strong to soon

so she goes on heated ground

burn the feet sinking deeper

tries to find again What she had already found

oh you tell her you feel deeper than she could ever know

still you tell her your no good and let her go

ohhh... summer breze turning around at your feet

turn around get no sleep oohhh the heat
