

Publicerad 2006-07-30 02:39 av Azerola

That most wonderful feeling

I have had this feeling
for a very long time

Yes I have counted the days

When I could put my arms around you

I feel like I'm floating away

I don't care about nothing else

As long as I have you

And I knew everything
it's gonna be alright

This very last day of summer
