

Pebbles

met at a party daydrinking in the sun
I knew right away you were the one
we talked until the night was lit by stars
shared every story about our scars
remember when we did angels in the snow
now that feels like it was years ago
unreal like we were on a movie set
like I was romeo and you were juliet

outside throwing pebbles
come out, let's be rebels
breathe summer air
feel the breeze in your hair

I'm outside throwing pebbles
so come out, lets be rebels
let's breathe summer air
feel the breeze in your hair

I'm outside throwing pebbles
so come out, lets be rebels

even if our love was described as art
for some reason we still grew apart
while we were laying naked in bed
would be you and me forever you said
cant you remember how it really felt
every time we kissed our lips would melt
and unreal like we were on a movie set
like I was romeo and you were juliet

outside throwing pebbles
come out, let's be rebels
breathe summer air
feel the breeze in your hair

I'm outside throwing pebbles
so come out, lets be rebels
let's breathe summer air

feel the breeze in your hair

I'm outside throwing pebbles

so come out, lets be rebels
