Renewal 2022

Some guys dream

Some guys dream about
a rocket ship to the moon
while I dream about a
night pass to your room

I know that's where my stars
do glitter fair
and where the world is beautiful
beyond compare

There's a soft light in my soul
as the story of my heart unfolds
but putting the apple before the cart
maybe isn't so smart
I am so often told

Suspense is my best defense
in the war against loving you
too soon
My heart considers the sublime
a notion of us throughout time

My head encourages this rhyme
wedding bells will surely chime
If only you could read between the lines
and see me

There's such a rush around you
Yet a soft and gentle hush around you
a blush about you that I'd love to share
There's such a charm about you
My Aladdin arms long to go about you

Some guys dream about
a rocket ship to the moon
while I dream about a
night pass to your room
