Give up

There's a million reasons why
I will always try

Well now I've tried
but I guess I lied
the reasons died

2012-05-03

Give in

The reasons never died
so I really lied
I actually never tried

You never saw me cry
of how I was to scared to try

We should never again deny
the million reasons why
We should never give up and always give in
That is actually how you win
