## **Sugar and Cane**

Sugar and Cane

"Where do we go from here?"

I hear you exclaim

I'm trying so hard to learn

seems there is

so much more to explain

I see you come around here all

laden with sugar & cane

your lips breathe silence

and in your eyes,

in your blue eyes

I am slain

I sit here before you

and I feel like I'm lame

What was once a treasure hunt

has turned into a chess game

our love is gone and I'm

left only with shame

I don't know what the new rules are

so could you please begin to refrain

We spent weekends together

playing tag on the beach

with your gold chains and

silver spurs

you thought you could reach me

Then you turned around

to accuse, torture and

preach to me

Yeah, I see you come around here

all laden with sugar & cane

your lips breathe silence

and in your eyes, yes

in your blue eyes  
I am slain

I open the door and  
walk out in the rain  
Summer is over and  
gone is the heat

I see your picture before me  
as I walk down the street  
The days go by  
and I cling to your charms

Like I cling to my fear  
It's hard to hold back  
this river of tears

Yes, I see you come 'round here  
laden with sugar & cane  
your lips breathe silence  
and in your eyes  
in your blue eyes  
I am slain

Each morning I wake up  
and I look in the mirror  
it seems like forever  
since you were last here

It feels like something is missing  
we left so much unclear

This is the end  
there's no place to go  
You remain a legend,  
a black hooded wraith

Right up in my  
top ten articles  
of a slow dying faith

Being dead to you  
is like being dead to the world

If we ever cross paths again  
You can bet that I'm gonna make way  
Yes, I'll give you free passage  
because I've got nothing left  
and much more  
to say

Sugar & cane,  
sugar & cane  
your lips breathe silence,  
and in your blue eyes,  
in your blue eyes...  
I am slain
