Renewal 2022

I stumbled through the blindness

I stumbled through
the blindness
looking for
some kindness

in your eyes

Like the last
Pepsi on the desert
I would drink of you
forever

if I could

I know there is
a measure
to find a
golden treasure

in your arms

If you see
me in the morning
I'm sending out
clear warning

Like birds
of a feather
we could make
this flight together

If
You
Would

The holy grail
is seen
through yearning

cups and saucers
keep on turning

more love
on this trail
to be found

I stumbled through
the blindness
looking for
some kindness
in your eyes

like the last Pepsi on the desert
I would drink of you forever
