### **Rainy day view**

The rain falls gently on the snow  
Creating spots of black and white  
A dalmatian dog appears in sight  
A playful friend I'd like to know

He wags his tail and barks hello  
He doesn't mind the cold or wet  
He runs and jumps with no regret  
A happy pup who loves the snow

I watch him from my window pane  
And wish that I could join his fun  
But I have work that must be done  
So I just smile and watch the rain
