

Curious

Ever so persistent
I stayed

Didn\'t permit you
to ignore me
Didn\'t care about
your unwillingness to be touched
I was here against your wish
teasing you
tempting you
caressing you

gave you my voice
moved my body
slowly in front
of your eyes
with the help of
words

tried to be something
exquisite
for you only

wanted to be seen
and suddenly you saw
something in

Me
that
made you soft
weak
and even more
important

Curious
