*om du läser de första bokstäverna lodrätt,du ska få ett namn...*

**ah...**

My dearest and my nearest brother,my friend and my lover!

And many more of truly words and feelings undiscovered...

\'Tis but the flattery of heart,my whim,the fraud it is...

\'Tis but mysterious dream..my clumsy blessing?..

It is the Bliss..ah what a heavenly touch it is..

Ah..what a Joy \'tis all beyond expressing...!

Sweetie,din syster,dina vänner and your lover,

Lol,must be happier than me ,You to discover

In free and easy manner,at your leisure

Not the way i do )-: ah what a pleasure...!(-:

Deeply and fully they can feel You,boy!

But what a Thrill...! ah what a Joy!

Lyckliga dan i Stockholm jag tillbringat,\'twas a balmy May

Oh what a happiness to breathe this air!ah what a Day!

My word,,,I have already filled by You my World and gap,

Now it\'s complete,this Love was proved by me at every  
turn and step...
