that's how lonely I am

Ariel, she's in another universe

Ariel, Ariel lion of God

City of Israel

Jerusalem

Ariel is up there

I am down here

Im low, Im sinking, Im in pain

Ariel, I've loved

Ariel Im in love

Ariel, my love is like the sea

Ariel my beloved is in another universe

That's how lonely I am

Like you Im an airy spirit, but of flesh and blood

and a heart heavier than this city

broken, broken

I am broken
