**Sorry love, this dance is already over**

I wrote the path of separation

Therefore I know how this is going to end

There\'s no time to fight it back

We\'ve already missed that chance

Tears won\'t stop time flowing

\'Cuz tears are the sign of not wanting to realise

I might appear ignorant

Close to an emotional living dead

But Hon,

Remember

I\'m not saying I quit

I just say I know you better
