In Your Eyes <3

In your eyes I see the sunshine
It's shining so bright I can't see
taken by your indescribable glory
hypnotized by your shiny colored eyes
enchanted by your unbelievable strong Love
shaking legs because of your beautiful face
fainting by your so angelic body
dying for you!
this is what I call REAL LOVE!

"when im in your arms I feel a indescribable safety
without nothing to think on, without dangers.
I feel so unbelievable safe, I feel my pulse start to
rush and a feeling of security is running through me!
I feel Good, just stand there and Hug. I love it!"
this is what I call REAL LOVE!
