*En vän.*

**KITTY**

there\'s a lily in the dark woods  
it keeps shining like a star  
there\'s a gentle breeze that brings you  
silver tunes from a guitar  
if you\' re close enough you\' ll hear it  
such a touching melody  
in the midst of gloom and darkness  
it\'s defeating misery

there\'s a constant stream of sweetness  
it\'s emerging from your heart  
i can taste it and enjoy it  
eventhough we\' re miles apart  
God can use a heart that\'s humble  
and a soul that\'s pure and true  
it can make the mountains crumble  
and fill deserts up with dew
