You fill my heart with joy.

You fill my heart with joy.

I never measure this good.

I am happy.

I am so happy that I can not describe it with words.

You may think I am in love with you.

But no.

Why would I be?

You are my friend.

Just that.

Nothing else.

It is not about the love that I want you, it is all about love, friendship.

I just want to say thanks for setting up and that you make me happy.

I just want to say I stand for you.

I think of you every day.

All the time.

You must never abandon me, not at, I think you would do it but .. I want to be on the safe side ..

I just want to hug you.

Long.

There is nobody like you.

It will never do either.

You will always be in my heart.

Your name is even enshrined there.

Remember that.

But you must not misinterpret anything.

For really what I want to say is that I love you as a friend.

And will always do it whatever happens.
