

Publicerad 2008-04-09 10:31 av Jamal Jazgi

Never Ever Forget you

Never mind Palestine

You are going to be fri

today or tommorrow

Never mind Palestine

my children and my love died

for your freedom

Never mind Palesine

Iam staying far away from you

Fucken occupation and to the hill War

Never minde Palestine

Iam living in the cold

Iam die everyday

everynight

i want to be back

its enough

Never mind Palestine

I love you
