How\'s that for a start...?

SHEER FRUSTRATION

people keep asking
the same old questions
well, curiosity
killed the cat
i\' m sick and tired
of their detection
leave me alone
you stupid prats!

every friday
the same old story
they stick their noses
in my affairs
i try so hard to avoid them
they always show up
everywhere

i\' m fighting hard
for my freedom
but i will never
be released
i\' m captured
in this grip of boredom
until the day
i am deceased
