"We\'re only good when we\'re down" (Angelic Upstarts)

POLITRUK

time will tell

who is right

and who is wrong

time will tell

who is weak

and who is strong

all your balloons

will fly up into the air

you\'ve reached the moon

but you\'re still

left in despair

you think you\'ve found

the answer in your books

what if the guys

who wrote them were crooks?

you think you\'ve got

the answers in your hand

and you told me

that i don\'t understand

your propaganda tricks

just make me sick

i can\'t identify

with politics

you told me

that i\'m brainwashed

and dumb

i wonder who is

comfortably numb...

perhaps we\'ll meet again

one of these days

a different context

and another place

i hope i won\'t get angry then

my friend

i hope we\'ll meet again

before the end
