razorsharp kisses

remember me

cause soon I will gone

you will never see me again

of course no one will miss me

of course no one will care

but I will always care for you

left alone in the dark

I cant take it anymore

make it stop

make me bleed

just watch me, just watch me

it is all that I ask for

just watch me fade away

maybe someday you will understand why

but I dont think so

keep living in the unknown

I dont care

why should I care?

I dont live anymore
